Centre for Social Initiative and Management - CSIM
offers**

Social Enterprise Skill Lab

The Social Enterprise Skill Lab would enable an opportunity for youth to find out more about social enterprises and get involved in developing ideas that will provide solutions to societal challenges.

The Skill lab will offer training, placement, and incubation of social enterprises for the college students.

It will also focus on research and advocacy in the field of social entrepreneurship.

First Batch starts on 9.8.2016

Faculty comprises of eminent academicians, social entrepreneurs and management experts.
