MSSW INAUGURATES IGNITING MINDS

Igniting Minds' is an initiative of MSSW Library, to reach out to the students of the Mary Clubwala Jadhav (MCJ) Girls Higher Secondary School, to induce them to read, to help them explore worlds and thinking beyond their own boundaries. Around 35 volunteers from MSSW will engage with close to 400 students of sixth to ninth standard of MCJ School, during their school library hours, on rotation by narrating stories, talking about various leaders/personalities, reading out to them biographies/autobiographies, and introducing them to the pleasures of reading throughout the year. Students will be trained by Srividya Veeraraghavan, trainer, story-teller and alumna of MSSW. This extension programme was inaugurated recently. Dr. S. Raja Samuel, Principal, MSSW, Anuradha, Head Mistress of MCJ School, and Lalitha Natarajan of MCJ School participated in the inauguration.
